

All Region User Group: July 31st 2013

Syracuse, NY (10:30am – 4pm)

Agenda for Attendees

10:00 am **Registration & Coffee**

10:30 am **Welcome**

Welcome includes an update on how library partners are doing, general introductions and a few housekeeping notes! Be ready to share a 30 second update on your library partner experience... what is the #1 thing you learned!?

10:45 am **Updates**

Learn the latest about Atlas updates and what they mean for ILLiad libraries. Also, hear from Coordinator of the Technology Development Team, Adam Traub, to learn what IDS is up to! Bring ideas and questions for Adam as well; what would you love to see IDS work on or develop!?

11:15 am **Customization Manager 101 or 501**

These breakout sessions will showcase the customization manager for beginners as well a session for more advanced users.

12:30 pm **Lunch provided by Atlas!**

Roundtables will be during lunch! Choose a table with similar library size or interesting discussion starters posted. Here's your chance to see what that library on the other side of the Adirondacks has been up to!

1:30 pm **OCLC WorldShare**

Guest presenters, OCLC, provide introduction training to OCLC WorldShare for ILLiad libraries.

4:00 pm **Wrap up and Tour**

In lieu of a virtual tour, take a short walk before dinner and see all the recent changes Syracuse is making to provide stellar service to IDS Members! Shannon Pritting from Syracuse University will be providing this tour!

6:00 pm **Dinner provided by Atlas!**

**Share board – The topic this session is marketing! Bring examples of how you've marketed ILL throughout your campus/community!*
