

ILL STANDARDIZED LICENSING LANGUAGE

The Nylink standard license includes the ability to fill ILL requests from eSerials purchased through Nylink Cooperative Services. While some content providers have changed the standard language and placed restrictions on ILL, most vendors have not made any changes. The standard language is as follows:

“Interlibrary Loan. Subscriber may fulfill requests from other institutions, a practice commonly called Interlibrary Loan. Licensee agrees to fulfill such requests in compliance with section 108 of the United States Copyright Law (17 USC 108) and clause 3 of the Guidelines for the proviso of subsection 108(g)(2) prepared by the National Commission on New Technological Uses of Copyrighted Works.”
