1) Did the mentor program training meet your expectations?

Yes: 14
No: 0
"Didn't have any expectations": 1

2) What was the most beneficial aspect of the training?

- Group discussions about potential issues
- Informal setup of the training which allows us to share great ideas
- Sharing information
- Discussions that allow us to share all our concerns and connect with the group
- Discussion/input/ideas
- Breakout session
- Shared experience, organization
- My concerns about not being able to answer all the questions asked of me were everyone else’s concerns also. Helped us learn where to get the answers
- Very interactive dialog and exchange of information
- Sharing information
- Discussions
- Questions and ensuing discussion-breakout session (needed more time)
- Learning that the mentor program is not ILLiad training
- Both materials and conversations

3) What was the least beneficial aspect of the training?

- It was all relevant (don’t have time for more but could use more)
- None, but wish the agenda had times so we could plan accordingly
- N/A
- Not yet knowing how to do some of the things in the modules, but I know what I need to cover
- Assessment breakout was helpful alleviating concerns, but maybe since we haven’t mentored yet it’s tough to have much sense of what to pre-plan to discuss
- N/A
- Still some confusion about what to expect
- N/A
Everything was beneficial

   Comments:
   Needed more time to review them
   Very nice, very thorough
   I will need to know how to do specifics
   Had hoped for more comments
   More time on modules would be helpful

Comments:

Could use more discussion about how to make things better
Wow! Great example. Very insightful
Enlightening!
A little too general

10) Please share your thoughts on future mentor program training sessions.

Maybe mentors could start discussions with others beforehand/continue afterwards through special list or wiki
Webinars on certain ILLiad modules would be great!
I look forward to all further sessions
Tech/App followup session for coordinating the different processes or to address skills gaps
Exciting effort!

11) Other comments:

I believe this will be a useful program for all mentors and mentees
Great group of people - Resource Sharing!
Congrats to all who have worked on this
